Connect with Friends

Dear "Friends"

Last year I wrote the fall newsletter while on a driving tour of the Southwestern part of the United States. This year I am writing on the road to Alaska. I won't be with you at the September meeting but depending on our route home from Alaska, I may be there in October. I am pleased and grateful to Linda Keefe for once more being willing to take the job of president. I have enjoyed my two years as president and congratulate everyone for being such a good group of willing workers. You stepped up organizing and having a yard sale and helping provide food and full service for the fashion show. Due to your unfailing support **we accomplished our 1st goal of meeting the \$25,000 challenge and got the compact shelving installed.** Now we are \$10,000 into working on phase II of getting the furnishings and electrical outlets we need. When North Central came for their accreditation visit, I know they thought our library was fortunate to have a group of loyal advocates and supporters.

Amy Ackerson

As you look over our lists of programs this year, I think you will find subjects of interest about the West Plains Campus. I would like to see this year be a "Big Push" toward adding more members. To that end, the executive committee decided to once again ask you to **bring a prospective member to our first meeting at no cost to you.** Our first meeting will be focusing on the Nursing Program with speaker Amy Ackerson, Nursing Program Director. Also, each month, the person bringing the most guests, these are not free however, will win one dozen homemade cookies. I hope you will help us gain new members by asking your friends to come to a meeting.

We will also be bringing back the "bring a book - take a book" that we did several years ago. Most of our members are readers so we thought it would just be a fun way to get new reading material. Whatever is left at the end of the year will be given to the library.

Thank you again for making my two years as your president so pleasant. I will see you at least by November, if not October. ~~*Kay Garrett, Past President*
