Connect with Friends

Hello Friends! Hope you all are enjoying this crisp cool sunny weather! We were looking forward to the evening book sale planned to coincide with the "Stroll on the Square" Oct.7. Unfortunately, the Stroll schedule was changed. We thank all who volunteered for this event; and to those who donated books, I assure you they will still be used. (Look for the "Buck a Book" display at the next meeting, Friday, Oct. 14)

Dr. Linda Wulff-Risner will be the speaker at our next meeting, Oct. 14, 12-1:00 p.m. She will be presenting information about the university Agriculture Program, and we will

have the opportunity to view the campus greenhouse first hand! Please plan on attending and bring a friend. Remember, if you bring a first-time guest, their lunch is free.

Our **fall fashion show/luncheon** is fast approaching! It is a bit earlier this year, **Nov. 4th!** So we only have about four weeks to prepare and gear up to promote participation. This is one of our major fundraising opportunities, so we encourage all Friends to attend and bring your friends! Watch for 2 tickets in the mail. There will also be tickets available at the Garnett Library, the Development Office, Kloz Kloset, and Clea's At Home Market. This event is actually a really fun time and good support for meeting our organizational goals!

We will have additional info on this "Razzle-Dazzle" event at the next meeting. We also will show you the special donation we have received to be the object of a **silent auction** beginning when ??? yep, Oct.14! See you soon, *Ruth Hall, President*
