Greetings, Friends! Postponing last month's meeting did not keep us from enjoying a very informative presentation the following week about the recent student trip to Costa Rica. We are hoping no further weather issues will interrupt our schedule... but winter is still upon us!

Our regular Friday meeting on February 10th will have a presentation by Dr. Dennis Lancaster about the students attending our campus in China. We look forward to seeing you there.

The following day, Sat. Feb.11, is our annual chili supper fundraiser! You likely have heard by now! We have been included in the MSU homecoming activities which will increase the advertising exponentially and likely result in much larger public participation. This is a great opportunity for us!

The chili supper will be at the Civic Center prior to the basketball game, from 4:30-6:30. We will sell tickets at both East and West entrances during this time (adults \$7.50, children 4 and under \$4).

Of course we encourage all to attend! We also hope you will give your support by

Our Thanks to you faithful Friends in advance! And a special Thanks to the MSU Development Office, especially Joe Kammerer, Melody Hubbell, and Eryn Walker. And a "Huge Thank You" to Dave Hale who is donating his Wendy's chili again this year!!
