Connect with Friends

Welcome back, Friends! Having worked in an academic setting for 30 some odd years, I enjoy fall and the return of a new school year. The crisp air filled with the chatter of new and returning students is refreshing. Years ago we said everyone began the year with a clean slate and newly sharpened pencils. Now, I suppose, I should change that to a new stylus and electronic device! None-the-less we welcome fall and all the activities at MSU-WP. Which, of course, includes the Friends luncheons. As in the past, we have some wonderful programs for the year. On behalf of the Friends group, I want to thank our program chair, Dr. Phillip Howerton, for his leadership in organizing an interesting set of programs.

As you know, the Garnett Library is a major resource and study center for students, and its resources are available to our multi-county community without charge. We are actively promoting this aspect of the library and hope you will freely mention this to family and friends. Our vision to support the Garnett Library includes sponsoring successful fundraising events. Participation of all members is key to accomplishing this goal...and it's fun! I invite and encourage each of you to prioritize a bit of your time and energy toward attending the monthly meetings/luncheons, and an hour or two per month to help plan and attend the fundraising events we sponsor.

Our hope is that each of us will embrace the importance of enhancing the potential of this library as it serves our community, will be directly involved, and will encourage others to join us as "Friends of the Garnett Library." I look forward to seeing you at our first meeting, Friday, September 8, and hope you come a bit early to visit. Remember, bring a first-time guest, and your guest may enjoy a free lunch!

~Susie Warden, President

Friends of the Garnett Library
