Welcome back, Friends, as we begin the 2019-2020 new school year. This year's program agenda provides a varied array of presentations. Dr. Dennis Lancaster, as program chair, has compiled a very interesting group of individuals to present at our monthly meetings. We will be meeting in a number of different places this year; you might think of it as a progressive luncheon and meeting activity, so please check your e-mails and memos for the places and times. Our first meeting will be in the Garnett Library, 304 W. Trish Knight St. at noon on September 13. Parking is available in the lot adjacent to the library.

The Garnett Library continues to be a major resource and learning center for students and its resources are also available to our multi-county community without charge. We are actively promoting this aspect of the library and hope you will freely mention this to family and friends. Support for the library includes our sponsoring successful fundraising events. We will be discussing these in the near future as well as some innovative ideas for enhancing the potential of this
