Garnett Library Update <i>Rebekah McKinney</i>	Apr 8

## Greetings to our Friends

Hello, Friends! I hope this finds you all safe and warm inside looking out at the beautiful snow. We are sorry that we had to cancel our monthly meeting in January, but keeping everyone safe and well is very important. The decision was made to hold our February meeting as long as we can provide safe distancing and masking for your protection, so I hope you will be able to attend. Masks will be required and will be available at the door. The tables and chairs will be spaced out with adequate distance between.

The meeting will be Friday, February 11th, from noon to 1:00 p.m. in Lybyer Technology Center, rooms 104-105. The program will be presented by Amy Ackerson, Associate Dean of Nursing and Allied Health, who will discuss the Associate of Science in Nursing program offered by MSU-West Plains. Lunch will be available for \$10.00. Please make your reservation for the luncheon ASAP, or at least by the close of day Wednesday, February 9th, by replying to email or calling 417-255-7940.

The second of our "Celebrating Moments in Time" special events, highlighting Black History Month, will also be held this month on Tuesday, February 15th at 4:00 p.m., located in Garnett Library. Come visit the library and hear an interesting presentation by Dr. Jason McCollom on the Black history of our area. Masks are required in the library.

Make plans now to attend both of these events. I look forward to seeing you on both the 11th and the 15th!

~Carolyn Gerber, President
