

## **How to submit abstract/ proposal for sessions**

Annual Meeting  
American Association of Geographers  
**West Lakes Division**  
October 19-21

Missouri State University  
West Plains, MO

### **How to submit an abstract**

Abstracts can be submitted by anyone interested in geography and allied disciplines, their tools, techniques, methodologies, as well as recent developments and issues of societal concern such as international trade, environmental change, population growth, information infrastructure, the condition of cities and human health. WLAAG will accept all submitted abstracts and organized sessions for presentation.

1. Register for the annual meeting
2. Visit the Instruction for Abstract/Sessions (pdf)
3. Select 'Submit an Abstract'
4. Select the appropriate abstract type
5. Upload your abstract
6. Click 'save'
7. Check for confirmation via email that your abstract has been submitted

WLAAG recommends submitting your abstract early to ensure you are placed in a session appropriate for your presentation topic.
