Early registration text for Spring Schedule

For you the student, early registration is essential to your success, and gives you the greatest opportunity to be properly advised, organize your academic finances, and start your career on a path that best suits your strengths, needs, and aspirations. The registration deadline for Missouri State University-West Plains is one week prior to classes beginning for the semester in which you are applying. Exceptions to this rule must be approved by the Office of Academic Affairs and will only be given in rare circumstances such as medical emergencies.
