Connie,

Here's the link to the Experts space for posting Faculty Senate Committee meeting minutes and other information.

It hasn't been 'prettied up' yet – you might look at these sites to see what can be done:

We can help you get the look you want and we can train you and others to add the information you want included.

Please let me know your thoughts.

Sue

Connie,

We've created a Faculty Senate space on the web for posting meeting minutes (and anything else you want to post there). You (and other faculty) can see the Faculty Senate meeting minutes at the link below (login required). We'd like to get last fall and spring's minutes posted before you convene again in the fall. Let me know what you think.

Teresa,

Do you have copies of the Faculty Senate minutes that you could send us? We've already done March and April of this year.

Thanks,

Sue
