Respiratory Care Review-Final Recommendation from Curriculum Committee

Motion: Phillip Howerton; Seconded Cathy Proffitt-Boys; passed

"Following a month long review of all documents related to the formal review of the Respiratory Care Program, the Curriculum Committee recommends:

1. Input be sought from the advisory board on possible recruitment solutions or possible funding sources until student enrollment increases.
2. Revisiting program review data in one year on accreditation, student recruitment and retention.
3. Any final decision made regarding the program consider previous recommendations by the Division Chairs and the Faculty Senate Priorities Committee."
