The last meeting of the Friends of the Garnett Library for this year will be April 10. I hope we will have a good turnout to end the year on a high note. We have had some great programs this year and look forward to more of the same next year. The executive committee is looking for suggestions from the group. Please feel free to give any program ideas to any member of the executive committee.

We are also looking for suggestions for our fund raisers. We always need ideas for ways to make our current events better and ideas for new events that would help us raise more funds for the library.

At the April meeting, we will vote on the slate of officers presented at the March meeting.

I appreciate the opportunity to serve as your president and look forward to seeing you at the meeting.

~~Linda Keefe, President
