Connect with Friends

Welcome to another exciting year with the Friends of the Garnett Library! The summer was way too short, of course, but your Executive Committee worked hard throughout the summer to plan new and interesting programs and fundraising ideas.

Our September program will be brought by Chancellor Dr. Drew Bennett. He will be speaking on "The Future Plans of the University." There will also be an installation of our 2015-2016 Officers and the presentation of Bylaws changes. Join us for this program by placing your RSVP--call 255-7940 or email FriendsOfGarnettLibrary@MissouriState.edu. Cost for lunch is \$10; no charge for attending the meeting only.

The Executive Committee is hoping for help from all members with planning and carrying out fundraising and promotional events. There is always something for everyone to do. Your first opportunity is at the Stroll on the Square on October 2nd! The Friends will host a book sale and provide refreshments and information about Friends at the *Community Foundation of the Ozarks*, located at 27 Court Square. **You can help now by bringing book donations to the September meeting.** You may also drop off book donations at Garnett Library or the *Community Foundation of the Ozarks*.

I hope that every member will find something that they feel comfortable doing. Everyone in this organization is valuable and has something to offer. Please feel free to offer suggestions for programs, fundraising, and increasing membership. No contribution is too small to help us meet our goal of making Garnett Library the best it can be!
