I hope all of you had a Merry Christmas and are now determined to keep your New Year's Resolutions. Please make one of your resolutions to attend the Friends of the Garnett Library meetings on the second Friday of the month. They are an excellent way to not only help financially with the library, but to also keep informed about the academic happenings of the University. Because of two of our previous programs, I plan to take a class one day a week on learning to become more proficient on my iPad and iPhone. I can't wait to see what "apps" are in my future. Perhaps some of you would like to join me. Senior citizens can register at no cost after January 10th.

Warm up with Friends!
