MISSOURI STATE UNIVERSITY - WEST PLAINS

## From Your President

Friends, I thought it was good to be home until I saw the work to be done on my flower beds! Welcome to autumn. I hope you are planning to take time off from raking leaves and cutting back plants to come be with us Friday, November 8<sup>th</sup> at Lybyer. The program is one I personally requested. Several years ago, and I do mean several, Grayson Gordon from Information Technology Services at the University gave a program at the Friends meeting on using the internet for fun. He gave us many sites that offered something for everyone's interests. I always remembered that program and asked him to do an update this year. I am by no means a "computer lover" but I found the program fun, entertaining and even useful. I think you will too.

November Meeting  
Grayson Gordon

Remember the annual Fall/Winter Fashion Show will be Friday, November 15<sup>th</sup>. You will receive tickets to sell. Please do your best to sell them as the proceeds go to a worthy cause: furnishings for our new collaborative learning space. This time we are providing

our own food; therefore, I expect our profit to improve considerably. Remember the change of location: South Campus of the First Baptist Church at the corner of Grove and Walnut streets.

I look forward to seeing you TWICE in November.  
~Kay Garrett
