Connect with Friends

Greetings! Spring has "sprung"! Please note the change of date and venue for our final regular membership meeting which will be held on **Friday, April 15th, at the Garnett Library!** We are looking forward to your joining us for lunch. You will have the opportunity to get familiar with the prized collection of rare books and special collections items that reside at the Garnett Library. It's amazing! We will also get an update, with pictures, of the furniture we've been working so hard to provide for the students who use the library. Induction of next year's officers is also planned.

Please plan to join us and celebrate Spring with friends at the Luncheon/Fashion Show the following Friday at the West Plains Country Club. This is our final fundraiser of the fiscal year and there will be good food, fun, fashion and friends! We appreciate all of our Friends!

~~Ruth Hall, Acting President
