- Location: T104-T105, Lybyer Technology Center, lower level
- Cost of lunch: \$10
- Call in your reservations today at 255-7940

Greetings Friends! As summer wanes, we are gearing up for a fun, informative, and productive year supporting the Garnett Library. The program committee has invited a good variety of speakers to bring us news of MSU-West Plains plans, activities, and exciting opportunities provided for our community and the MSU-West Plains students.

As you know, the Garnett Library is a major resource and study center for students, and its resources are available to our multi-county community without charge. We are actively promoting this aspect of the library and hope you will freely mention this to family and friends. Our vision to support the Garnett Library includes sponsoring successful fundraising events. Participation of all members is key to accomplishing this goal...and it's fun! I invite and encourage each of you to prioritize a bit of your time and energy toward attending the monthly meetings/luncheons, and an hour or two per month to help plan and attend the fundraising events we sponsor.

Our hope is that each of us will embrace the importance of enhancing the potential of this library as it serves our community, will be directly involved, and will encourage others to join us as "Friends of the Garnett Library." I look forward to seeing you at our first meeting, Friday, September 9, and hope you come a bit early to visit. Remember, bring a first-time guest, and your guest may enjoy a free lunch!

~~Ruth Hall, President
