Find Your Place with Friends

I hope you all enjoyed Thanksgiving with family, friends, fun and food! It's hard to believe we are nearing the end of fall semester. I look forward to our December meeting and touring the new Hass-Darr facility and the Carol Silvey Student Union. We will meet in Room 100 where Scott Schneider, director of business and support services, will present a brief history of the recently-

renovated building. He will then give a tour of the building for those who want to personally view the renovations. Parking is available in the lot off Missouri Avenue on the south side of Hass-Darr Hall. Onstreet parking is also an option. It is then a short walk to the entrance.
