Hello, Friends. Welcome to March. It's that lull month for us between the Chili Supper and the Fashion Show! *THANK YOU* to all of you who helped in making our annual Chili Supper a success. As always our teamwork was terrific and I can't acknowledge all of you. But know that your support by working at the supper or making a dessert or selling tickets – it all was appreciated. I have not seen the details, but hopefully I will have something to share with you at our meeting.

I always enjoy our meeting presentations but I especially look forward to our March meeting. . . We will have three students who will be attending the National Professional Agriculture Student Conference on March 13-16. They will speak about how they qualified to attend the National Conference by qualifying at the State Conference held in November at Crowder College. They will also explain competitions they will be involved in and what they do to prepare. In addition, each one will tell us how MSU-WP and the Agriculture department has impacted their career preparation. I find I always enjoy hearing from our students as I don't often have direct interaction with them.
