## Find Your Place with Friends

Hello FRIENDS, and Friends you are for the success of our annual Chili Supper. Thanks to everyone who helped and supported this endeavor (whether you were working at the supper, provided one of the wonderful desserts, or sold tickets). A special thank you to David Hale and Wendy's, Zack McNett and Southern Bank, and Carol Silvey for supplying the chili and the monetary contributions for student tickets. We should have more statistical data for you at the March meeting on the 13th.

Speaking of, the March meeting will be held at GOCAT, 395 Jackie D Garrett Drive. Parking is available in their lot by the building. Our presenter is Jim Hart, professor of technology and computer information systems/computer graphics and programming. He will give a real time progress report of the Fab Academy activities, including a tour of the facility.

We have one more major fundraising activity this year. The Spring Fashion Show will take place on Friday, April 24. More information will follow soon. Enjoy the beginnings of Spring.
