Welcome Back, Friends

We want to welcome you back, Friends! We have had a very unusual preceding year. Let's hope this coming year will not be quite so dramatic. Our first meeting for this year will be held Friday, September 10 at noon in rooms 104 and 105 of the Lybyer Technology Center. Parking is available in the lot on the north side of Lybyer. The first program for the year will feature Dr. Dennis Lancaster, interim chancellor of Missouri State University-West Plains. He will be presenting an update on university activities and accomplishments.

Box lunches will be available at our September meeting for \$10, and masks will be required except when eating. Masks are a policy of the university at this time, and we want to keep you safe.

Please call 417-255-7940 to **make your reservation by 3:00 p.m. September 8th.**, or email to FriendsOfGarnettLibrary@missouristate.edu.

We have added some new activities to our calendar for this year. Special Event Days, "Celebrating Moments in Time," will include three interesting programs throughout the year. We will have more information about these at our September meeting. Our monthly programs for the year will be varied and very exciting. We were fortunate to have the people who were going to be our presenters last year to agree to present this year.

Please join us for an interesting 2021-2022 school year. See you on September 10th.

~~ Carolyn Gerber, President
