Welcome Back, Friends

Hello Friends. As we move into fall, we hope our year will stay focused on everyone being well. We had to make a change in our October program agenda. This month we will be experiencing a look at Missouri's Bicentennial. Carol Silvey, former history professor and director of development at MSU-West Plains and a current member of MSU's Board of Governors will discuss the events that led to Missouri's statehood. In addition, we will have the opportunity to view the Missouri Bicentennial Photo Exhibit which is on display at Hass-Darr Hall through October 26.

The luncheon meeting will be held in **Room 100 at Hass Darr Hall** at noon. Parking is available curbside and in nearby University parking lots. Box lunches will be available, so be sure to make your reservation by noon on October 6th. Masks will be required except when eating because it is a policy of the university at this time.

**MSU-West Plains
