

Instructions

You may apply for admission online at wp.missouristate.edu/Admissions/applynow.htm

Use of this Form

We are glad you are interested in attending Missouri State University-West Plains. You may use this application if you plan to enroll at Missouri State-West Plains as a new freshman or transfer student or if you wish to be reclassified from nondegree-seeking to degree-seeking status.

→ **If you wish to enroll into the completion program or complete a degree through Missouri State University-Springfield on the West Plains campus**, please contact the Missouri State University Outreach office at 417-255-7931.

Former Missouri State-West Plains Students

If you have previously attended Missouri State-West Plains, but have not attended for one academic year or more and you want to return, you may use this form or apply online. **If you have attended other colleges or universities since leaving Missouri State-West Plains, please ask each institution to send your official transcript directly to Missouri State-West Plains.** (NOTE: Students who are under academic suspension may apply to return once they have remained out of school for the required length of time.)

Application Procedure

You may apply up to one year prior to the beginning of the semester for which you plan to enroll. **Students are encouraged to apply for admission early in order to complete all steps in the enrollment process (admission, orientation, registration) and to allow time for any financial aid to be processed. Students should refer to the appropriate sections of the University catalog for program admission requirements, including specific application deadlines. If seeking financial aid, complete the FAFSA and scholarship application and submit any required supporting documents as early as possible. The deadline for most scholarships is March 1 and the priority deadline for the FAFSA is March 31 annually. For students applying to programs that do not have an earlier deadline, it is recommended that application procedures be completed by June 1 for the fall semester, November 1 for the spring semester and April 1 for the summer session. Applications are accepted up to the beginning of each semester; however, registration priority is given to early applicants. Students beginning the process later than recommended may not be able to accomplish the full enrollment process before the first day of the semester.**

Transcripts

To process your admission, we will need transcripts as follows:

- **If you are in high school or have graduated but will have earned fewer than 24 hours of transferable college credit completed after high school graduation**, please request that your high school send us your transcript. **If you have registered for any courses at other colleges or universities for previous semesters**, please request that each college or university send us your official academic transcript (regardless of whether you completed courses or received grades).
- **If you are currently enrolled in high school or another college or university**, you must also request that your final official academic transcript(s) be sent to Missouri State-West Plains when available.

We require official transcripts to be sent directly to the Missouri State-West Plains Office of Admissions by your previous schools. Transcripts which are hand-carried or marked "issued to student" cannot be considered official.

If you are applying on the basis of GED, HiSET or other state-approved high school equivalency, you must request that an official copy of your scores be sent to the Missouri State-West Plains Office of Admissions. You should contact the department of education of the state in which you took the test for information on how to have your official score report sent. Missouri High School Equivalency (GED and HiSET) transcripts are accessible by the university and do not require applicant request.

Items submitted become the property of Missouri State University-West Plains and will not be returned to the applicant or released to a third party.

Testing for Course Placement

Missouri State University-West Plains does not require certain tests, such as ACT, for admission. To help ensure students are placed in courses in which they will be successful, however, students must take either the ACT or ACCUPLACER test to determine placement in classes that have a math or reading prerequisite. A student's placement in English courses will be determined by a self-evaluation of the student's writing skills. Contact Advisement and Academic Coaching Center for Empowering Student Success (AACCESS) at 417-255-7222 for information.

Appeals relating to secondary credentials should be addressed to the Dean of Academic Affairs or his/her designee. Appeals relating to placement should be addressed to AACCESS.

Some degree programs have specific test requirements. Students should refer to the appropriate degree program information in the University catalog for more information.

Once you have completed your application for admission, send it to:

Missouri State University-West Plains
Office of Admissions
128 Garfield Avenue
West Plains, MO 65775

You should hear from us within two weeks of the date we receive your application and all required transcripts and documentation. You will be mailed an admission letter including your BearPass number, and new students will also receive information regarding orientation and other information to help prepare for the first semester.

Right to Know. Students wanting information on Campus Security or the Student Right to Know Act should contact the Office of Student Life and Development at 128 Garfield, West Plains, MO 65775. Telephone: (417) 255-7233.

Use of Social Security Number

Disclosure of your social security number is voluntary. If you provide your number, it will NOT appear on your student identification card but it is necessary for several University offices, including Financial Aid.

Residence for Fee Purposes

In determining a student's residency for tuition and fee purposes, the University adheres to the policy for determination of student residency (<https://www.sos.mo.gov/cmsimages/adrules/csr/current/6csr/6c10-3.pdf>) established and approved by the Missouri Coordinating Board of Higher Education (CBHE). The University also complies with all applicable federal and state laws and regulations with respect to the classification of veterans and their dependents. A student's residence status is determined at the time of admission. Students classified as non-residents who wish to apply for reclassification to resident status may do so by submitting a residency application to the Office of Admissions.

Academic Majors and Programs

Degree-seeking students are eligible to apply for financial aid. Some certificates are financial aid-eligible. Contact the Financial Aid Office to discuss funding options for certificates. Listed on the last page are the academic majors available at Missouri State-West Plains. Within some majors, you must specify which option within that major that you plan to pursue. Please write your intended major and option (if applicable). Admission to the University does not guarantee admission to specific majors. Students should refer to the University catalog at wp.missouristate.edu/catalog for program admission requirements, including specific application deadlines.

Nondegree-seeking Students

- Nondegree. Students 18 years of age and older or a high school graduate may apply under this classification. Transcripts are not required. Enrollment while in this category is limited to eight credit hours per semester to a total of 24 hours. **Students are not eligible for financial aid while in this classification.** (Course prerequisites apply)
- Nondegree Post Baccalaureate. Students who have a bachelor's degree and who wish to enroll in up to a full time course load with no restrictions on total hours may apply under this classification. Proof of bachelor's degree is required. **Students in this classification are not eligible for financial aid.** (Course prerequisites apply)
- Completion Program. Students who have completed an Associate of Arts degree at Missouri State University-West Plains and wish to take additional Missouri State University-West Plains courses in pursuit of a bachelor's degree through Missouri State University are eligible to apply under this classification. A Missouri State University-Springfield Application for Admission (available in the Missouri State University Outreach Office and online) must be completed, and Missouri State University requires official transcripts from each previous college or university. Students in this classification are eligible to apply for financial aid but must contact the Financial Aid Office for procedure. Contact Missouri State University Outreach at 417-255-7931 regarding the bachelor's degrees offered by Missouri State University-Springfield at Missouri State University-West Plains. Students should consult with an academic advisor regarding requirements for admission into Missouri State University-Springfield degree programs.
