

Instructions

You may apply for admission online at <http://wp.missouristate.edu/applynow>

Use of this Form

We are glad you are interested in attending Missouri State University-West Plains. You may use this application if you plan to enroll at Missouri State-West Plains as a new freshman or transfer student or if you wish to be reclassified from nondegree-seeking to degree-seeking status.

→ **If you wish to enroll into the completion program or complete a degree through Missouri State University-Springfield on the West Plains campus**, please contact the Missouri State Outreach office at 417-255-7931.

Former Missouri State-West Plains Students

If you have previously attended Missouri State-West Plains, but have not attended for one academic year or more and you want to return, you may use this form or apply online. **If you have attended other colleges or Universities since leaving Missouri State-West Plains, please ask each institution to send your official transcript directly to Missouri State-West Plains.** (Note: Students who are under academic suspension may apply to return once they have remained out of school for the required length of time.)

Application Procedure

You may apply up to one year prior to the beginning of the semester for which you plan to enroll. **Students are encouraged to apply for admission early in order to complete all steps in the enrollment process (admission, orientation, registration) and to allow time for any financial aid to be processed. Students should refer to the appropriate sections of the University catalog for program admission requirements, including specific application deadlines. If seeking financial aid, complete the FAFSA and scholarship application and submit any required supporting documents as early as possible. The deadline for most scholarships and the priority deadline for the FAFSA is March 31 annually. For students applying to programs that do not have an earlier deadline, it is recommended that application procedures be completed by June 1 for the fall semester, November 1 for the spring semester and April 1 for the summer session. Applications are accepted up to the beginning of each semester; however, registration priority is given to early applicants. Students beginning the process later than recommended may not be able to accomplish the full enrollment process before the first day of the semester.**

Transcripts

To process your admission, we will need transcripts as follows:

→ **If you are in high school or have graduated but will have earned fewer than 24 hours of transferable college credit**

completed after high school graduation, please request that your high school send us your transcript. **If you have registered for any courses at other colleges or Universities for previous semesters**, please request that each college or University send us your official academic transcript (regardless of whether you completed courses or received grades).

→ **If you are currently enrolled in high school or another college or university**, you must also request that your final official academic transcript(s) be sent to Missouri State-West Plains when available.

We require official transcripts to be sent directly to the Missouri State-West Plains office of admissions by your previous schools. Transcripts which are hand-carried or marked "issued to student" cannot be considered official.

If you are applying on the basis of GED, HiSET or other state-approved high school equivalency, you must request that an official copy of your scores be sent to the Missouri State-West Plains office of admissions. You should contact the department of education of the state in which you took the test for information on how to have your official score report sent. Missouri High School Equivalency (GED and HiSET) transcripts are accessible by the university and do not require applicant request.

Items submitted become the property of Missouri State University-West Plains and will not be returned to the applicant or released to a third party.

Testing for Course Placement

Missouri State University-West Plains does not require certain tests, such as ACT, for admission. To help ensure students are placed in courses in which they will be successful, however, students must take either the ACT or ACCUPLACER test to determine placement in classes that have a math or reading prerequisite. A student's placement in English courses will be determined by a self-evaluation of the student's writing skills. Contact Advisement and Academic Coaching Center for Empowering Student Success (AACCESS) at 417-255-7222 for information.

Appeals relating to secondary credentials should be addressed to the dean of academic affairs or his/her designee. Appeals relating to placement should be addressed to AACCESS.

Some degree programs have specific test requirements. Students should refer to the appropriate degree program information in the University catalog for more information.

- Technology Management Other _____

High School/High School Equivalency Information

High School Name _____ City _____ State _____ Graduation Month _____ Year _____

OR GED/High School Equivalency Date Month _____ Year _____ State in which you tested _____ (If you tested in Missouri, transcripts are accessible by the University and do not require student request.)

Are you participating in or have you completed the A+ Program at your high school? Yes No

Have you taken courses for college credit? For students still in high school: Check “yes” if you are currently taking or plan to take courses for college credit while in high school? (This includes courses taken through dual credit on your high school campus, part-time and/or summer enrollment prior to graduation.)

Yes No If yes, please list all colleges where you have been enrolled, including Missouri State, even if you did not complete a full term or receive a grade report. Include colleges (if any) through which you received credit while in high school. Failure to list all colleges is considered falsification of records and may void your admission. (Attach additional sheet if necessary.)

College Name (Do not abbreviate)	City and State	Dates Attended (Month and Year)	Hours Earned	Degree Earned

We will need your transcript(s) from the above college(s). Please request that each college send your transcript to Missouri State University-West Plains. In-progress coursework must be reflected on the transcript or provided by applicant (e.g., registration form, student printout, etc.). It must include term, course code, course number, course title and credit hours. Official/final transcript(s) must be requested after final grades are available.

If you have a disability which requires accommodation, please contact AACCESS, 128 Garfield Avenue, West Plains, MO 65775, (417) 255-7222 for information about services available to you.

I certify that the information I have provided is accurate. I understand that falsified or non-disclosed information and/or failure to supply ALL required transcripts would result in admission denial or suspension from Missouri State University-West Plains with loss of fees.

Degree Programs

Associate of Arts degrees ^(AA)

General Studies: The AA in General Studies degree allows students to complete general education requirements for virtually any bachelor's degree before transferring to Missouri State University or other four-year colleges or universities. This degree also is available online.

Teaching: The AA in Teaching degree provides a common transfer curriculum for students seeking a bachelor's degree in elementary education at one of several Missouri four-year institutions.

Associate of Arts in Health Professions¹: This degree is beneficial to students planning to become a physician assistant, physical therapist, or other health professional. These master and doctorate level programs require a bachelor's degree for entry with specific pre-professional prerequisites. The AA in Health Professions degree provides the general education and pre-professional prerequisites needed in pursuing these degrees. Many of the courses are part of the Bachelor of Science in Cell and Molecular Biology degree offered in Springfield.

Associate of Science degrees ^(AS)

The AS degree is intended to transfer into a pre-professional program, allowing students to enter the workforce and/or transfer into a bachelor's degree completion program.

Agriculture

Business

Nursing

Pre-Engineering

Associate of Applied Science degrees ^(AAS)

The AAS degree is primarily an occupationally oriented degree, allowing students to enter a particular job market after graduation.²

Business with options in: *Accounting, Computer Information, Management, Technology Management and Entrepreneurship*¹

Child and Family Development

Computer Graphics & Programming

Culinary & Hospitality Management

Enology

Entrepreneurship with options in: *Agricultural Business, Culinary Arts and General Business*

Associate of Science degrees continued

Health Information Technology

Law Enforcement

Respiratory Care³

Technology with options in: *Alternative Energy, General Technology, Advanced Manufacturing and Technology Management*

Viticulture

Wine Business and Entrepreneurship

Certificates options⁴

Advanced Manufacturing Technology, Agricultural Business, Alternative Energy, Animal Science, Applied Entrepreneurship, Basic Office Management, Enology, Equine Studies, General Agriculture, Health Information Technology (with emphasis in Medical Coding, Electronic Health Record Specialist and Medical Administrative Office Assistant), Natural Resources, Plant Science, Pre-Nursing, Technology Management, Viticulture, Wildlife Management, Workforce Employability Skills, Wine Business and Entrepreneurship

Bachelor's and Master's degrees

Through Missouri State University's Outreach Program, students can complete several undergraduate and graduate degrees locally in a variety of disciplines, as well as take courses leading to other degree areas.

For more information, contact Outreach Coordinator Deanna Smith at (417) 255-7777 or DeannaSmith@missouristate.edu.

The degree program offerings at Missouri State-West Plains continue to expand. For the most current listing of all degrees and certificates offered, visit www.wp.missouristate.edu/academics.

¹Pending approval by Missouri's CBHE

²While not designed as transfer degrees, some AAS degrees can be used as the first two years of a Bachelor of Applied Science degree; however, students will need to take additional general education courses, as well as courses in the major field.

³Provisional accreditation

⁴Some certificates are pending approval from the U.S. Department of Education for financial aid eligibility. Contact the Missouri State-West Plains financial aid office to verify eligibility for specific certificate programs.
