**WHEREAS**, Missouri State University's West Plains' campus Missouri resident undergraduate proposed tuition increase is \$6.00 per credit hour; and

**WHEREAS**, legislative leaders have indicated that the General Assembly will pass a budget that maintains public universities' operating appropriations at the fiscal year 2018 funding level if tuition increases for Missouri resident undergraduate full time students are held to one percent;

### **NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF GOVERNORS OF MISSOURI STATE UNIVERSITY AS FOLLOWS:**

The Board of Governors adopts the following fee schedule for the West Plains, effective July 1, 2018 subject to the following:

Missouri State University West Plains campus will waive collecting \$5.00 of the \$6.00 per credit hour increase for Missouri resident undergraduate students which will result in an increase of 1% for Missouri resident undergraduate full time students for the 2018-19 academic year under the terms of the Higher Education Student Funding Act, provided both of the following conditions are met for the 2018-19 academic year:

- The Truly Agreed and Finally Passed FY2019 operating appropriation for the Missouri State University System equals \$83,401,060; and
- Missouri State University receives the full appropriation less the traditional 3% withholding.

Should the Truly Agreed and Finally Passed FY2019 operating appropriation for the Missouri State University System be less than \$83,401,060 or if there are additional appropriation withholdings during FY2019 above the traditional 3% withholding level, Missouri State University will reinstate and collect the \$5.00 credit hour increase for Missouri resident undergraduate students that was waived.

### **Delegation of Responsibility**

The Board of Governors delegates the responsibility for negotiating charges for on- and off- campus use of the West Plains Campus facilities to the Chancellor of the West Plains Campus.

**BE IT FURTHER RESOLVED**, understanding that unanticipated circumstances may require immediate action, and to be able to respond efficiently as necessary in the judgment of the President, that the President of the University is hereby authorized to establish and implement additional fees, or make appropriate modifications to the fees as set forth here, except for "Required Student Fees," and that such fees will be immediately effective upon action by the President, but will be reported to the Board at the next meeting of the Board by either the President or the Chief Financial Officer.

**BE IT FURTHER RESOLVED**, that previous actions by the Board of Governors covered in this schedule of student fees and deposits be modified accordingly, the Board of Governors reserves its discretion to further modify fees and charges as it determines necessary and appropriate.

**Refunds for Classes with a term\* of 19 days or less (including Intersession)**

The refund for courses with a term\* of 19 days or less (including Intersession) is 100% if the class is dropped by the end of the first day of the term. After the first day of the term, refunds are made on the basis of the number of days in the term per the following schedule:

Number of Days in Term	100%	75%	50%	25%
1	Prior to day 1	n/a	n/a	n/a
2	1	n/a	n/a	n/a
3	1	2	n/a	n/a

18	1	3	5	10
19	1	3	5	10

**Refunds for Classes with a term\* of 20 days or more:**

The refund for classes with a term\* of 20 days or more is 100% if the class is dropped before the end of the second day of the term (even if the class does not meet on the second day of the term). Additional refund periods are proportionate to the refund periods described above for full semester classes. Refund deadlines are calculated as follows:

- 75% refund = 0.133 times the length of term
- 50% refund = 0.267 times the length of term
- 25% refund = 0.533 times the length of term

Standard rounding rules apply (e.g., the 75% refund deadline for a 25-day term is 0.133 x 25 or 3.325, which will be rounded down to day 3; the 50% refund deadline for a 25-day term is 0.267 x 25 or 6.675, which will be rounded up to day 7). The Office of the Registrar maintains refund deadline dates for each class length.

\*For classes that are not full semester classes, refunds are based on the 'length of term.' For those classes, the 'term' begins with the start date of the class and ends with the end date. The length of term is the number of days in that period, including the start and end date but excluding weekend and holidays when classes are not in session.

### **Student Services Fee Refunds**

If a student drops during the 100% refund period for tuition (as indicated above), then 100% of the Common Fee will be refunded. No refund of the Common Fee will be issued for students who drop after the 100% refund period.

### **Supplemental Course Fee Refunds**

If a student drops a course(s) during the 100% refund period for tuition (as indicated above), then 100% of supplemental fees for the course(s) being dropped will be refunded (with the exception of fees that have already been expended on the part of the student). No refund of supplemental or section fees is issued for students who drop a course(s) after the 100% refund period.

### **Refunds for Recipients of Federal Aid**

For students who are recipients of Federal Title IV student aid, refunds will be made in accordance with all applicable federal regulations.

### **Refunds for Non-Attendance**

Students will be administratively withdrawn for the following circumstances:

- Reported as Never Attended by the
  - 10<sup>th</sup> class day of the 16-week or longer term
  - 7<sup>th</sup> class day of the 8-week term
  - 4<sup>th</sup> class day of the 5-week and 4-week term
  - 2<sup>nd</sup> class day of a 2-week or less term
- Determined to have enrolled in a course without the appropriate pre-requisite course
- Are academically suspended and have not been reinstated through the academic appeal process

Students who are administratively withdrawn will have their schedule removed and tuition and fees will be refunded at 100%. However, non-tuition related charges will continue to be the responsibility of the student.

### **Changes of Schedule**

Students who drop courses during the change of schedule period will receive a credit on their account in accordance with the Required Student Fees Refund Schedule (see Required Student Fees Refund Schedules). Because courses are not supposed to be added after the change of schedule period, dropped courses and added courses (including section changes), **will result** in an additional financial obligation for the student. Exceptions may be granted when the department of the course(s) dropped and added provides written verification to the Office of Academic Affairs stating that the late schedule change was required or recommended by the department. Courses may be added during the change of schedule period. Additional cost of courses added must be paid at the time the change of schedule is processed, or the student must be completely enrolled in the My Payment Plan.

### **Exceptions to the Withdrawal and Change of Schedule Fee Refund Policy**

Exceptions to the withdrawal and change of schedule fee refund policy must be approved by the registration and records office. Appeals must be submitted in writing to the registration and records office within one month of the date of the withdrawal or change of schedule and should be accompanied by appropriate supporting documentation.

Missouri State University-West Plains will make the following efforts to identify students who are registered but not attending classes:

- Attendance tracking – Instructors will monitor class rosters. After the first ten days of class, instructors will report students who meet the following conditions:
  - A student is attending class but not on their class roster.
  - A student is listed on the class roster but not attending class.

- If a student is attending but is not registered, the registration and records office notifies the student via University email and requests he/she contact the office immediately to resolve the situation. Students registered but not attending classes will be withdrawn from all classes or dropped from the class they are not attending.
- Mid-Term Grading Reporting – Students earning D’s and F’s on their midterm grade report are contacted via University email.

If a student received all F’s on his/her midterm grade report and instructors confirm the student has not attended class, steps may be taken to administratively withdraw the student. A student who is administratively withdrawn after the no penalty drop deadline will receive W’s for those courses. The student will be responsible for paying the percentage of basic fees/tuition not refunded after the no penalty drop deadline.

### Laboratory Course Deposit

No deposit is required for laboratory courses. A student responsible for unusual breakage or loss of equipment will be required to pay for such breakage or loss.
