Hello from the Southwest. I am having a wonderful time experiencing many of our national and state parks. I have seen Bryce Canyon, Zion Canyon, North Rim of the Grand Canyon, Canyonlands, The Arches, Dead Horse Canyon and Canyon De Chelly. All of them are different, but all formed by wind and water. One thing I have observed as I have gone through small towns in Colorado and Utah is that the towns that seem to be thriving are the ones with community colleges. We are fortunate to have the West Plains Campus. This observation has renewed my belief that as citizens of our community, it is time well spent to support the University. The Garnett Library represents the academic side of the University and our desire to help the library to stay current with the needs of the students is an important goal. We need the West Plains Campus and the West Plains Campus needs us. While I am having a wonderful trip, I look forward to meeting with you in November. ~Kay Garrett

Do you know someone who would make a great Friend? October 20-26 is National Friends of Libraries Week! This is a great opportunity to celebrate our Friends, raise awareness of our group and our library, and promote membership to the Friends of the Garnett Library.

The application for membership can be found at http://wp.missouristate.edu/development/FriendsMembership.htm
